NOTICE REGARDING OUTSTANDING OFFERS

Section 6.5 of the First Amended and Restated APG Asbestos Trust Distribution Procedures (the “**TDP**”) provides that a claim shall be deemed to have been withdrawn if the claimant neither accepts, rejects, nor initiates arbitration within six (6) months of the APG Asbestos Trust’s written offer of payment, except for those APG Asbestos Trust Claims held by representatives of deceased or incompetent claimants for which court or probate approval of the APG Asbestos Trust’s offer is required, or an APG Asbestos Trust Claim on which deferral status has been granted.

In accordance therewith, effective April 1, 2025, the Trust will deem withdrawn any APG Trust Claim with an offer that has been outstanding for longer than six months and is not otherwise excluded from Section 6.5 due to required court or probate approval of the offer or claims in deferral status. In addition, the Trust will not withdraw outstanding offers to APG Trust Claims that are awaiting documentation from the Ohio BWC.

If a release is subsequently returned on an APG Trust Claim that has been withdrawn for failing to accept the offer within six-months, the claim can be re-filed with the Trust without submitting the refundable Re-Filing Fee, however, any such claims are subject to the three-year deadline to refile from the date of the withdrawal, as set forth in Section 6.3 of the TDP.
